

High performance retail ATM - 1800 CE

Maximum Reliability

The 1800 CE is designed to provide industry leading quality and reliability with highest uptime rates. The 1800 CE is designed to require minimum maintenance and all Nautilus Hyosung ATMs are known for reliability and have a proven track record in the U.S. market.

Secure Communications

The 1800 CE comes with TCP/IP (SSL configurable) communication capability to support high-volume locations.

Security

A UL business-hour safe and PCI EPP (Encrypting PIN pad) provide a secure transaction environment. For enhanced security, choose an optional electronic or KABA Mas Cenccon safe lock.

Capacity up to 4,000 Notes

A variety of cash-dispensing configurations are available with a capacity of up to 4,000 notes. The 1800 CE is available with a 1,000 note removable cassette or optional 2,000 note removable cassette, upgradable to 2 cassettes.
